

Premium Hydraulic Oils

Typical Specifications

Engine Armour Premium Hydraulic Oil is blended to offer performance properties for moderate service applications. These oils are suitable for a wide variety of applications where moderately inhibited oils are required.

These products are suitable in pump, compressor and circulating systems. These oils contain an EP agent and chemical components to impart anti-wear, oxidation inhibition, and extreme pressure properties.

Applications: (Denison HF-1), (US Steel 126), (Rexroth RE 90220), (Parker)
