

Multipurpose Tractor & Hydraulic Transmission Oil JD-20

Typical Specifications

Engine Armour Multipurpose Tractor & Hydraulic Transmission Oil JD-20 is Engine Armour's mid-range multipurpose tractor fluid. It is the perfect fluid for agriculture, industrial off-road and other construction equipment requiring a multipurpose tractor fluid but are either older or do not require a fluid quite as robust as Engine Armour's Super Universal Tractor Fluid – Plus. Engine Armour Multipurpose Tractor & Hydraulic Transmission Oil JD-20 will work well in and is recommended for the majority of the equipment manufactured by the various OEM manufacturers. This product is especially well suited and recommended for use wherever John Deere 303, JD 20 or IJ HY-tran fluids are specified.

Applications: (API GL-4 gear oil), (Allison: C-2), (Dennison: HF-0, HF-1, HF-2), (John Deere: JD20)
