

Universal 2T Motorcycle

Typical Specifications

Engine Armour Universal 2T Motorcycle Oil is a general-purpose lubricant designed for air-cooled, two-cycle engines where Engine Armour Synthetic Blend Super performance is not required. It is formulated with premium base stocks for motorcycles and higher-temperature applications such as chain saws, weed-cutters, string trimmers, air blowers, lawn mowers, snow blowers, and small generators.

Engine Armour Universal 2T Motorcycle Oil mixes easily with gasoline and should be used in a fuel to oil ration specified by the equipment manufacturer.

Applications: (API – TA*)

API Gravity	25.0
Viscosity cSt	
@ 100 C	7.4
Flash Point C	190
Pour Point C	-9
% Weight Ash	0
Visual Color	Red

*API TA is an obsolete Spec; however when checked the oil meet the requirements.
